Board of Directors' Support for The Frazer Center

The Board of Directors actively engages in the operations of The Frazer Center by serving on committees including the Executive, Nominating, Development, Audit & Finance, Children's Program, Adult Program, Garden/Facilities, and Strategic Planning. The board members also support the Center by contributing financially. During the last fiscal year of 2008-09, 100% of the members have made a monetary commitment to the Annual Appeal as well as supporting other projects and special events at the Center.
